Subject: Invitation to Nominate an International Observer for the Coordination Council of Belarus Elections

Dear Mrs Prykhodzka,

We are truly delighted and honored by your invitation to nominate an international observer for the upcoming elections to the Coordination Council of Belarus. This invitation is a testament to the trust and esteem in which you hold our team, and we are deeply grateful for the opportunity to contribute to this important democratic process.

Following your invitation, we have already convened a meeting of our international study group dedicated to Belarus and have begun assembling a team of independent observers and analysts. We are committed to ensuring a thorough and impartial observation, in line with the principles outlined in your message.

In order to prepare effectively, we would be most interested in scheduling a video exchange with your own commission at your earliest convenience. This would allow us to better understand the specificities of the electoral process, and to coordinate our efforts accordingly. We could provide an expert-level review of the election campaign time and election procedures, especially regarding online voter verification and digital voting.

Please let us know when such a meeting could be arranged, and we will do our utmost to accommodate your schedule.

Thank you once again for this opportunity. We look forward to your response and to collaborating with you in the coming weeks.

Yours sincerely,

Frédéric Petit
Chairman of the Board
International Study Group on
Belarus – Assemblée Nationale
